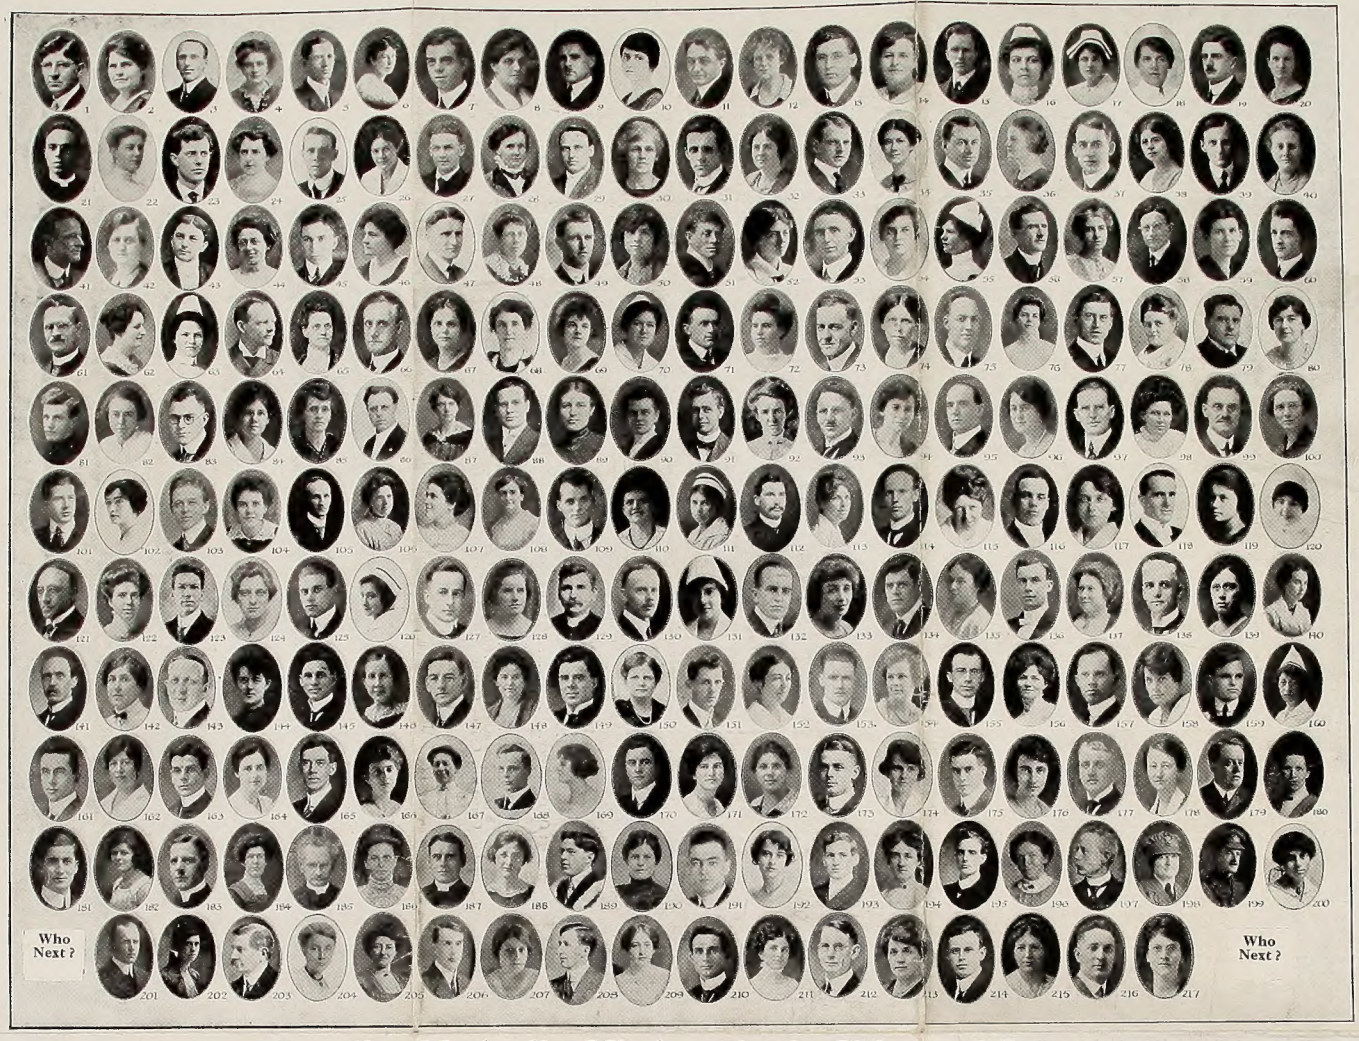
Our Foreign Contributors to The Missionary Bulletin



Canadian Methodist Missionaries in China and Japan

The above are our representatives who have gone to make Christ known in China and Japan; they are fighting a great fight. Their equipment is not adequate; their numbers are too few. If they are to succeed, we must know and supply their needs. Does your heart go out to them? Would you like to read their letters? Do you pray for them? Are you a partner in their work?

How can we enlist the interest of others if we do not keep the lines of communication open? This can be done if 5,000 will subscribe for THE MISSIONARY BULLETIN at $1.50 a year.

Will you be one, and will you get others to subscribe?
